File No. 22010555.01

ALTERNATE MEDICAL CARE

CONSENT ORDER

On August 11, 2023, claimant filed a petition for alternate medical care. Defendants filed an answer on August 23, 2023, admitting liability for the claim. Hearing was scheduled to take place on August 24, 2023.

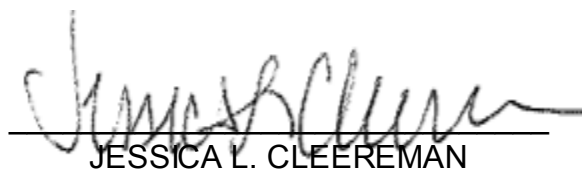

A discussion was held off the record at the beginning of the hearing, in which the parties reached an agreement regarding the requested care. Given the agreement of the parties, the hearing was determined to be unnecessary. The parties requested entry of a consent order to confirm and document the agreement.

IT IS THEREFORE ORDERED:

Pending receipt of documentation, defendants have agreed to authorize the functional capacity evaluation (FCE) requested by claimant.

Defendants have begun the process of scheduling an independent medical evaluation (IME) for purposes of obtaining an impairment rating, which will be scheduled after the results of the FCE are available.

Signed and filed this 24<sup>th</sup> day of August, 2023.
