

BEFORE THE IOWA WORKERS' COMPENSATION COMMISSIONER

JEFFREY PITTS,

Claimant,

vs.

TPI COMPOSITES, INC.,

Employer,

and

AIU INSURANCE COMPANY,

Insurance Carrier,
Defendants.

File No. 21701190.01

ALTERNATE MEDICAL CARE

CONSENT ORDER

Claimant filed an Original Notice and Petition for Alternate Medical Care with this agency on November 8, 2021. In the Original Notice and Petition for Alternate Medical Care, claimant requested defendants be ordered to authorize medical treatment.

Based on emails, dated November 18, 2021, from counsel from both parties, defendants agree to authorize treatment for claimant's left hand. Defendants also agree to authorize treatment for claimant's right foot and right lower extremity with Michael McCune, M.D.

In an effort to avoid an unnecessary hearing, and yet protect the interests of their clients, the parties agree to entry of a consent order, requiring defendants to provide authorized treatment for claimant's left hand and authorized treatment for claimant's right foot and lower extremity with Dr. McCune.

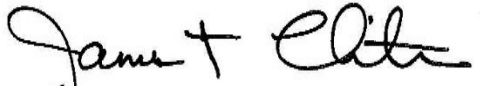

This consent order is not intended to reflect findings of fact or conclusions of law relative to this claim. Rather, it is intended to document and enter an order that is consistent with both parties' positions and acceptable to both parties. A formal alternate medical care hearing was not conducted, as all parties consented to entry of this order and waived the formal hearing.

THEREFORE, IT IS ORDERED:

Pursuant to the agreement of the parties prior to the scheduled November 19, 2021, alternate medical care hearing, defendants shall authorize and provide claimant with care for the left hand. Defendants shall also authorize care for the right foot and

lower extremity with Dr. McCune. Claimant retains the right to file another petition for alternate medical care regarding this matter if necessary.

Signed and filed this 18th day of November, 2021.
