## CONSENT ORDER

RE: ALTERNATE MEDICAL CARE

Claimant filed an application for alternate medical care on May 10, 2021 requesting that defendants be ordered to authorize a treatment provider for his lumbar spine condition.

Prior to hearing, the parties contacted the undersigned deputy and indicated that defendants have agreed to authorize a medical provider and represent that they have made inquiries with UnityPoint Health Work Well Clinic about providing treatment to claimant and forwarded records on May 16, 2022.

Claimant desired that a Consent Order be entered in this case, in lieu of a hearing. Defendants agreed.

A hearing is therefore determined to be unnecessary, based on the agreement of the parties.

THEREFORE, IT IS ORDERED THAT:

Defendants shall provide written authorization to UnityPoint Health Work Well Clinic to treat claimant and an appointment shall be scheduled within 30 days from the date of this order. The appointment need not occur within 30 days of this order, but an appointment date shall be scheduled within that period of time.

IT IS SO ORDERED.

Signed and filed this 19<sup>th</sup> day of May, 2022.
