File No. 5066833

CONSENT ORDER

HEAD NOTE NO: 2701

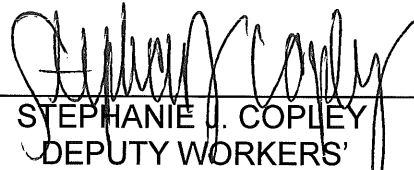

On December 7, 2018, claimant filed a petition for alternate medical care. On December 19, 2018, defendants filed their answer to the petition. The matter was scheduled for hearing on December 19, 2018.

At the time of the hearing, the parties confirmed that an agreement had been reached wherein defendants will authorize claimant's right shoulder surgery scheduled for January 16, 2019 with Kary Schulte, M.D. Defendants will continue to authorize this surgery irrespective of the outcome of claimant's upcoming appointment with Kyle Galles, M.D. The parties reported that the agreement resolves the pending alternate medical care petition and requested entry of a consent order to confirm and document the agreement.

**IT IS THEREFORE ORDERED**

Defendants agree to authorize the surgery scheduled to be performed by Dr. Schulte on January 16, 2019.

Signed and filed this 19th day of December, 2018.
