BRIAN HEARL,

vs.

TPI COMPOSITES, INC.,

and

NEW HAMPSHIRE INSURANCE CO.,

Insurance Carrier,
Defendants.

File No. 20011536.02

ALTERNATE MEDICAL CARE

CONSENT ORDER

Claimant filed an Original Notice and Petition for Alternate Medical Care with this agency on October 25, 2022.

Based on an agreement between the parties, and a proposed consent order, defendants agree to authorize a pain management evaluation for claimant with Kurt Smith, D.O.

To avoid an unnecessary hearing, and yet protect the interests of their clients, the parties agree to entry of a consent order, requiring defendants to authorize a pain management evaluation for claimant with Kurt Smith, D.O.

This consent order is not intended to reflect findings of fact or conclusions of law relative to this claim. Rather, it is intended to document and enter an order that is consistent with both parties' positions and acceptable to both parties. A formal alternate medical care hearing was not conducted, as all parties consented to entry of this order and waived the formal hearing.

THEREFORE, IT IS ORDERED:

Pursuant to the agreement of the parties, defendants agree to authorize a pain management evaluation for claimant with Kurt Smith, D.O. Claimant retains the right to file another petition for alternate medical care regarding this matter if necessary.

Signed and filed this 3rd day of November, 2022.
