CONSENT ORDER RE:

ALTERNATE MEDICAL CARE

HEAD NOTE NO: 2701

Claimant filed a petition seeking alternate medical care. A telephonic hearing on this petition was held on May 9, 2016. All parties were given proper notice and were aware that the undersigned has been delegated final agency decision authority in this proceeding.

This medical care dispute arose over care being given by defendants as a result of a work injury on or about November 2, 2015 and a wrist condition arising from that injury, liability and responsibility for which is admitted and assumed by defendants. The hearing was recorded by a digital voice recorder.

During the hearing, defendants agreed to refer claimant to an orthopedic surgeon to address her hand/wrist/arm complaints and agreed to this consent order.

ORDER

Defendants shall refer claimant to an orthopedic surgeon to address claimant's hand/wrist/arm complaints no later than May 23, 2016.

Signed and filed this 9th day of May, 2016.
