PROPOSED CONSENT ORDER

FOR

ALTERNATE MEDICAL CARE

On September 26, 2019, claimant filed a petition for alternate medical care. The matter is scheduled for hearing on October 8, 2019 at 8:30 a.m.

Claimant's requested relief is a second orthopedic opinion. Prior to the hearing date, defendants indicated they would authorize the requested care.

The parties report that the authorized care resolves the pending alternate medical care petition and request entry of a consent order to confirm and document the agreement.

IT IS THEREFORE ORDERED:

Defendants agree to provide the authorized care requested in claimant's alternate medical care petition.

Signed and filed this 7th day of October, 2019.
