ALTERNATE MEDICAL
CARE DECISION

Head Note No.: 2701

On October 20, 2021 claimant filed a petition for alternate medical care. The matter was scheduled for hearing on November 1, 2021.

At the time of the hearing, the parties confirmed that an agreement had been reached wherein defendants authorized Dr. Nelson to perform the recommended low back surgery that is currently scheduled for November 9, 2021.

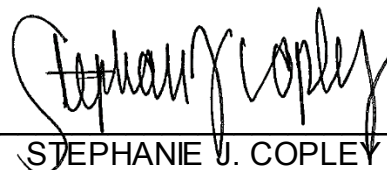

The parties reported that the agreement resolves the pending alternate medical care petition and requested entry of a consent order to confirm and document the agreement.

IT IS THEREFORE ORDERED

Defendants agree they have authorized Dr. Nelson to perform the recommended low back surgery that is currently scheduled for November 9, 2021.

At the time of this consent order and continuing through surgery, defendants agree that Dr. Nelson remains the authorized treating physician.

Signed and filed this 1st day of November, 2021.
