MEMORANDUM OF
ALTERNATE MEDICAL
CARE DECISION

HEAD NOTE NO: 2701

File No. 5043634:

This petition was filed in error in that the arbitration decision of October 19, 2015 did not find a work injury on August 31, 2012.

The petition for this file number is dismissed.

File No. 5041848:

Claimant filed a petition seeking alternate medical care. A telephonic hearing on this petition was held on February 3, 2016. All parties were given proper notice and were aware that the undersigned has been delegated final agency decision authority in this proceeding.

This medical care dispute arose over care being given by defendants as a result of a work injury on or about October 25, 2012 and a bilateral shoulder condition arising from that injury, liability and responsibility for which is admitted and assumed by defendants. The entire hearing was recorded by a digital voice recorder. A detailed decision containing findings of fact and conclusions of law was dictated into the record on the date of the hearing. This decision will not be reproduced in typewritten form unless there is an appeal from this decision at which time the procedures under the administrative code are to be followed. Any rights of appeal will run from the date the decision was dictated into the record, and this memorandum is solely for the purpose of the agency file.

In the decision, it was ordered that claimant's petition for alternate care be granted and defendants provide to claimant all care and treatment recommended by Steven Klein, M.D. and his medical staff. This decision was rendered on February 3, 2016.

This memorandum of decision is signed and filed this 5th day of February, 2016.
