Defendants.

File No. 5056437

ALTERNATE MEDICAL  
CARE CONSENT ORDER

HEAD NOTE NO: 2701

Claimant filed an original notice and petition for alternate medical care with this agency on April 1, 2016. Hearing occurred on April 13, 2016. Claimant, as well as his counsel and defense counsel, appeared telephonically for the alternate medical care hearing. At the commencement of the hearing, defense counsel acknowledged that defendant consents to claimant's request for a return evaluation by Tuvi Mendel, M.D.

Given that there are no disputed factual or legal issues to be decided, the undersigned proposed that a consent order be issued rather than proceeding with a formal evidentiary hearing and testimony. Both parties consented to the entry of this consent order.

ORDER

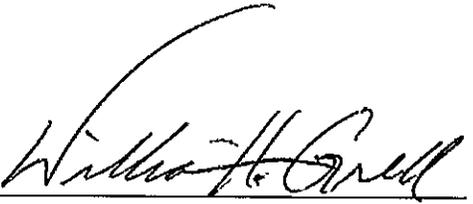

THEREFORE IT IS ORDERED:

The claimant's petition for alternate medical care is granted.

Defendant shall authorize and pay for a return evaluation by Tuvi Mendel, M.D.

Defendant shall contact Dr. Mendel's office to provide authorization for this evaluation within seven (7) days of entry of this order and defendant shall request the earliest reasonably available evaluation date for claimant to be examined.

Signed and filed this 13<sup>th</sup> day of April, 2016.
