

## BEFORE THE IOWA WORKERS' COMPENSATION COMMISSIONER

---

KIM WEBER,  
Claimant,

File No. 22014184.03

vs.

DEEP LAKE OUTSOURCING, LLC,  
Employer,

CONSENT ORDER

RE: ALTERNATE MEDICAL CARE

and

TECHNOLOGY INSURANCE CO.,  
Insurance Carrier,  
Defendants.

---

Claimant filed an Original Notice and Petition for Alternate Medical Care with this agency on May 11, 2023.

Based on an agreement between the parties, and a proposed consent order, defendants agree to authorize claimant to continue further treatment at the Grace C. Mae Advocate Center. Defendants also agree to pay invoices timely. Defendants continue to investigate this claim and reserve the right to discontinue authorization for counseling subject to that investigation.

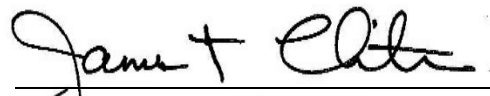

To avoid an unnecessary hearing, and yet protect the interests of their clients, the parties agree to entry of a consent order, requiring defendants to authorize treatment as described above.

This consent order is not intended to reflect findings of fact or conclusions of law relative to this claim. Rather, it is intended to document and enter an order that is consistent with both parties' positions and acceptable to both parties. A formal alternate medical care hearing was not conducted, as all parties consented to entry of this order and waived the formal hearing.

THEREFORE, IT IS ORDERED:

Pursuant to the agreement of the parties, defendants agree to authorize claimant to continue further treatment at the Grace Mae Advocate Center. Defendants also agree to pay invoices timely. Defendants continue to investigate this claim and reserve the right to discontinue authorization for counseling subject to that investigation. Claimant retains the right to file another petition for alternate medical care regarding this matter if necessary.

Signed and filed this 23rd day of May, 2023.
