and

CONTINENTAL WESTERN GROUP,

Defendants.

File No. 19700180.03

CONSENT ORDER

RE: ALTERNATE MEDICAL CARE

HEAD NOTE NO.: 2701

Claimant filed a petition seeking alternate medical care. A telephonic hearing on this petition was scheduled for February 5, 2021.

Claimant's petition seeks treatment for her right shoulder with Dr. Patterson. At the time of the scheduled hearing, the undersigned held a phone conference with counsel for each party. Prior to the start of the hearing, the parties reached an agreement that negated the need for an alternate care hearing. The parties consented to the following:

Claimant requested an appointment with Dr. Patterson. Defendants have agreed to schedule an appointment for Ms. Peterson with Dr. Patterson. As soon as defendants have a date and time of the appointment for Ms. Peterson, they will provide that information to claimant's counsel.

Therefore, defendants shall promptly schedule an appointment for Ms. Peterson to see Dr. Patterson.

Signed and filed this 9th day of February, 2021.
