File No. 5060261

ALTERNATE MEDICAL CARE

CONSENT ORDER

Claimant filed a petition seeking alternate medical care. A telephonic hearing for this petition was scheduled for February 25, 2019.

Based on an off-the-record conversation with both counsel, the alternate medical care requested defendants to provide prescription eyeglasses for claimant as recommended by treating physician, Heidi Bell, OD.

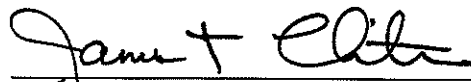

In an effort to avoid an unnecessary hearing, and yet protect the interests of their clients, the parties agree to entry of a consent order requiring defendants to provide claimant with the prescription eyeglasses as recommended by Dr. Bell.

This consent order is not intended to reflect findings of fact or conclusions of law relative to this claim. Rather, it is intended to document and enter an order that is consistent with both parties' positions and acceptable to both parties. A formal alternate medical care hearing was not conducted, as all parties consented to entry of this order and waived the formal hearing.

THEREFORE, IT IS ORDERED:

Pursuant to the agreement of the parties prior to the scheduled February 25, 2019, alternate medical care hearing, defendants shall authorize and provide claimant with the prescription eyeglasses within ten (10) days. Claimant also retains the right to file another petition for alternate medical care regarding this matter if necessary.

Signed and filed this 25<sup>th</sup> day of February, 2019.
