WORKERS' COMPENSATION

File No. 5030842

PROPOSED CONSENT ORDER

On March 22, 2019, claimant filed a petition for alternate medical care. The matter is scheduled for hearing on April 3, 2019, at 8:30 a.m.

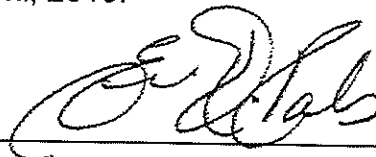

Claimant's requested relief is authorized care for her right hand. Prior to the hearing date, defendants authorized the requested care.

The parties report that the authorized care resolves the pending alternate medical care petition and request entry of a consent order to confirm and document the agreement.

IT IS THEREFORE ORDERED:

Defendants agree to provide the authorized care requested in claimant's alternate medical care petition.

Signed and filed this 2nd day of April, 2019.
