File No. 5060143.03

CONSENT ORDER RE:

ALTERNATE MEDICAL CARE

Claimant filed a petition seeking alternate medical care. A telephonic hearing for this petition was scheduled for April 16, 2021.

Based on an off-the-record conversation with both counsel, the alternate medical care requested defendants to provide claimant authorized care with Ericka Lawler, M.D. with the University of Iowa Hospitals and Clinics.

In an effort to avoid an unnecessary hearing, and yet protect the interests of their clients, the parties agree to entry of a consent order requiring defendants to provide claimant with authorized care with Dr. Lawler.

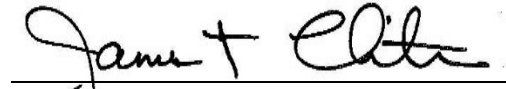

This consent order is not intended to reflect findings of fact or conclusions of law relative to this claim. Rather, it is intended to document and enter an order that is consistent with both parties' positions and acceptable to both parties. A formal alternate medical care hearing was not conducted, as all parties consented to entry of this order and waived the formal hearing.

THEREFORE, IT IS ORDERED:

Pursuant to the agreement of the parties prior to the scheduled April 16, 2021, alternate medical care hearing, defendants shall authorize and provide claimant

treatment with Dr. Lawler. Claimant retains the right to file another petition for alternate medical care regarding this matter if necessary.

Signed and filed this 16<sup>th</sup> day of April, 2021.
