BRIAN BOLEN,

Claimant,

vs.

MS & SONS CORP.,

Employer,

and

INSURANCE CO. OF THE WEST,

Insurance Carrier,
Defendants.

File No. 21012916.04

CONSENT ORDER

RE: ALTERNATE CARE

Claimant filed an Original Notice and Petition Concerning Application for Alternate Care with this agency on June 12, 2023.

Based on an agreement between the parties, and a proposed consent order, defendants agree to authorize and pay for evaluation and treatment for claimant with Charles Mooney, M.D. at Iowa Specialty Hospital. The appointment with Dr. Mooney will be scheduled no later than July 14, 2023. Defendants also agree to authorize and pay for an MRI to be scheduled no later than July 14, 2023.

To avoid an unnecessary hearing, and yet protect the interests of their clients, the parties agree to entry of a consent order, requiring defendants to authorize treatment as described above.

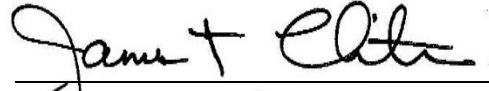

This consent order is not intended to reflect findings of fact or conclusions of law relative to this claim. Rather, it is intended to document and enter an order that is consistent with both parties' positions and acceptable to both parties. A formal alternate medical care hearing was not conducted, as all parties consented to entry of this order and waived the formal hearing.

THEREFORE, IT IS ORDERED:

Pursuant to the agreement of the parties, defendants agree to authorize and pay for evaluation and treatment for claimant with Charles Mooney, M.D. at Iowa Specialty Hospital. The appointment with Dr. Mooney will be scheduled no later than July 14, 2023. Defendants also agree to authorize and pay for an MRI to be scheduled no later than July

14, 2023. Claimant retains the right to file another petition for alternate medical care regarding this matter if necessary.

Signed and filed this 26th day of June, 2023.
