WORKERS COMPENSATION

File No. 5067802

PROPOSED CONSENT ORDER

On March 8, 2019, claimant filed a petition for alternate medical care. The matter was scheduled for hearing on March 21, 2019.

Claimant's requested relief was for defendants to promptly authorize a second opinion in either Omaha, Sioux City, or Dakota Dunes, based on the recommendation of Dr. Luft. Prior to the hearing date, defendants agreed that they would authorize Dr. Chris Cornett, a back specialist in Omaha.

The parties reported that the agreement resolves the pending alternate medical care petition and request entry of a consent order to confirm and document the agreement.

**IT IS THEREFORE ORDERED:**

Defendants agree to provide a second opinion as requested above.

Signed and filed this 22<sup>nd</sup> day of March, 2019.
