File No. 23700512.05

CONSENT ORDER RE:

ALTERNATE MEDICAL CARE

On December 5, 2023, claimant filed an alternate care application against DJ Auto and Norguard Insurance. A review of the record demonstrates this is the fourth application filed since July 2023. Claimant sought to force authorization of an MRI recommended by the authorized physician.

On December 18, 2023, defendants "received word that it [the MRI] has been authorized through Mercy Pain Management, and all we are waiting for is a date." (Email from Defense Counsel, 12/18/23) Claimant has requested a Consent Order and defendants agree with this plan.

ORDER

Defendants shall authorize, pay for and otherwise provide the MRI ordered by the authorized treating physician.

Signed and filed this 18TH day of December, 2023.
