File No. 5064922

ALTERNATE MEDICAL CARE

CONSENT ORDER

FILED
JUN 19 2019
WORKERS' COMPENSATION

Head Note No.: 2701

Claimant filed an application for alternate medical care on June 7, 2019, seeking authorization for an MRI.

The matter was scheduled for hearing on June 19, 2019. The claimant, Christopher Lease, his attorney James Hoffman and defendants' attorney Michael Roling participated in the hearing. The parties agreed to a consent order issued in this case as to the claimant's request for alternate medical care, so long as the authorized medical provider for the claimant's accepted injury had requested an MRI.

A hearing is therefore determined to be unnecessary, based on the agreement of the parties.

THEREFORE, IT IS ORDERED:

Defendants are ordered to provide authorization of an MRI, if it is requested by the authorized medical practitioners at Miller Orthopedics for claimant's accepted claim.

Signed and filed this 19th day of June, 2019.
