

## BEFORE THE IOWA WORKERS' COMPENSATION COMMISSIONER

---

ROBIN DONNELLY-BARCUS,

Claimant,

vs.

BRIGHTSTAR CARE,

Employer,

and

NORGUARD INSURANCE CO.,

Insurance Carrier,  
Defendants.

File No. 20002614.04

ALTERNATE MEDICAL CARE

CONSENT ORDER

---

Claimant filed an Original Notice and Petition for Alternate Medical Care with this agency on September 9, 2022.

Based on emails with counsel for both parties, and a proposed consent order, defendants agree to make an appointment for claimant with Eric Aschenbrenner, M.D. on or before October 3, 2022. Defendants are not required to have claimant seen by Dr. Aschenbrenner on or by October 3, 2022. Defendants are required to make the appointment with Dr. Aschenbrenner by that date.

To avoid an unnecessary hearing, and yet protect the interests of their clients, the parties agree to entry of a consent order, requiring defendants make the appointment with Dr. Aschenbrenner as detailed above.

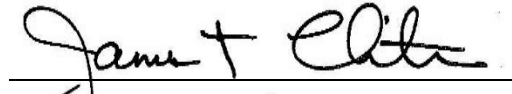

This consent order is not intended to reflect findings of fact or conclusions of law relative to this claim. Rather, it is intended to document and enter an order that is consistent with both parties' positions and acceptable to both parties. A formal alternate medical care hearing was not conducted, as all parties consented to entry of this order and waived the formal hearing.

THEREFORE, IT IS ORDERED:

Pursuant to the agreement of the parties, defendants agree to make an appointment for claimant with Eric Aschenbrenner, M.D., on or before October 3, 2022. Defendants are not required to have claimant seen by Dr. Aschenbrenner on or by October 3, 2022. Defendants are required to make the appointment with Dr.

Aschenbrenner by that date. Claimant retains the right to file another petition for alternate medical care regarding this matter if necessary.

Signed and filed this 26<sup>th</sup> day of September, 2022.
