CONSENT ORDER

RE: ALTERNATE MEDICAL CARE

Claimant filed a petition seeking alternate medical care. A telephonic hearing on this petition was held on May 8, 2015. All parties were given proper notice and were aware that the undersigned has been delegated final agency decision authority in this proceeding.

This medical care dispute arose over care being given by defendants as a result of a work injury on or about August 29, 2012 and tinnitus arising from that injury, liability and responsibility for which is admitted and assumed by defendants. The entire hearing was recorded by a digital voice recorder.

Claimant's petition states: "Defendants refuse to promptly authorize care recommended by audiologist, Shelly Witt, M.A." Claimant set forth the specific care in Exhibit 1. Claimant seeks:

- o Neuromonics device for tinnitus treatment via the University of Iowa Tinnitus Clinic;
- o Bilateral Wildex devices via the University of Iowa Hearing Aid Center to work in conjunction with the Tinnitus Clinic;
- o Tinnitus counseling via the University of Iowa Tinnitus Clinic;
- o Participation in other defined clinic for treatment of Post-Traumatic-Stress Syndrome;
- o Purchase of Sound Pillow/Sleep System;
- o Purchase of at least one if not multiple table top sound generator devices.

(Claimant Ex. 1, page 1)

Defendants have agreed to provide the care set forth in claimant's Exhibit 1, page 1.

Therefore, defendants shall promptly provide to claimant the care set forth in the bullet points of claimant's Exhibit 1, page 1.

This consent order is signed and filed this 8th day of May, 2015.
