

## BEFORE THE IOWA WORKERS' COMPENSATION COMMISSIONER

ADAM YOUNG,

Claimant,

vs.

PREMIUM PLANT SERVICES, INC.,

Employer,

and

EVEREST NATIONAL INSURANCE,

Insurance Carrier,  
Defendants.

File No. 22700533.05

ALTERNATE MEDICAL CARE

CONSENT ORDER

Claimant filed an Original Notice and Petition for Alternate Medical Care with this agency on February 17, 2023.

Based on an agreement between the parties, and a proposed consent order, defendants agree to authorize an EMG for claimant with the University of Iowa Hospitals and Clinics (UIHC) on March 30, 2023. Defendants will also authorize an injection for claimant with the UIHC on April 14, 2023.

The parties indicated in a phone conference the above-described services have been authorized by defendants. The problem has been the delay from the UIHC scheduling these services. To that end, if the provider delays the authorized services, the parties shall work together to encourage the provider to timely provide the authorized services.

To avoid an unnecessary hearing, and yet protect the interests of their clients, the parties agree to entry of a consent order, requiring defendants to authorize treatment as described above.

This consent order is not intended to reflect findings of fact or conclusions of law relative to this claim. Rather, it is intended to document and enter an order that is consistent with both parties' positions and acceptable to both parties. A formal alternate medical care hearing was not conducted, as all parties consented to entry of this order and waived the formal hearing.

THEREFORE, IT IS ORDERED:

Pursuant to the agreement of the parties, defendants agree to authorize an EMG with the UIHC on March 30, 2023, and an injection on April 14, 2023. Claimant retains the right to file another petition for alternate medical care regarding this matter if necessary.

Signed and filed this 1<sup>st</sup> day of March, 2023.
