CONSENT ORDER

RE: ALTERNATE MEDICAL CARE

On April 21, 2022, claimant filed a petition for alternate medical care. On April 28, 2022, defendants filed their answer to the petition. The matter was scheduled for hearing on May 3, 2022.

Prior to the hearing, the parties confirmed that an agreement had been reached wherein defendants will authorize care and treatment which is reasonable and causally related to claimant's right shoulder. Specifically, defendants agree to authorize claimant to be seen and treated by Camilla Frederick, M.D. and Matthew Bollier, M.D. The parties reported that the agreement resolves the pending alternate medical care petition and requested entry of a consent order to confirm and document the agreement.

IT IS THEREFORE ORDERED:

The hearing scheduled for May 3, 2022 is cancelled.

Defendants agree to authorize care and treatment which is reasonable and causally related to claimant's right shoulder with Dr. Camilla Frederick and Dr. Matthew Bollier.

Claimant's alternate care petition is now moot due to the parties' agreement. Claimant's alternate care petition is dismissed.

Signed and filed this 2nd day of May, 2022.
