On June 10, 2022, Craig Wiese applied for alternate care under Iowa Code section 85.27 and agency rule 876 IAC 4.48 in the form of authorization of the reverse total left shoulder arthroplasty as recommended by authorized treated physician Dr. Justin Khoriaty at Iowa Ortho. Before the hearing, the defendants, employer Lennox Industries, Inc. and insurance carrier Indemnity Insurance Company of North America, agreed to authorize the procedure. The defendants also filed an answer, averring they had authorized the requested care. The parties then agreed to a consent order memorializing their agreement.

THEREFORE, IT IS ORDERED:

- 1) The defendants shall authorize care in accordance with the parties' agreement.
- 2) The alternate care hearing is CANCELLED.
- 3) Nothing in this order shall be interpreted to infringe on the defendants' rights regarding care for the work injury under Iowa Code section 85.27.

Signed and filed this 23rd day of June, 2022.
