File No. 5063651

ORDER NUNC PRO TUNC

An arbitration decision was issued on May 8, 2019. Subsequent to the issuance of the decision, the undersigned deputy workers' compensation commissioner, discovered there was an error in the calculation of permanency benefits. Both page 10 of the arbitration decision contains a miscalculation, and page 12 contains a miscalculation.

Page 10, paragraph 2 should state:

As a consequence, 250 weeks times .03 percent equals 7.5 weeks of permanent partial disability benefits. Defendants shall pay unto claimant 7.5 weeks of permanent partial disability benefits at the stipulated weekly benefit rate of \$377.19. Permanency benefits shall commence from July 8, 2017, per the opinions of both Dr. Garrels and Dr. Bansal.

Page 12, paragraph 1 under Order should state:

Defendants shall pay unto claimant seven point five (7.5) weeks of permanent partial disability benefits commencing from July 8, 2017 and payable at the stipulated rate of three hundred seventy-seven and 19/100 dollars (\$377.19).

All other portions of the May 8, 2019 arbitration decision shall remain the same.

SO ORDERED.

Signed and filed this 9th day of May, 2019.
